## Another Lucky Lemon Days Promotion Planned for March

Plans for a second "Lucky Lemon Days" promotion to be held in March have been completed by the Merchant's Division of the Chamber of Commerce.

Several hundreds of dollars in cash will go as prizes during the three day event. A special edition of the Review will be mailed to every resident in the Lemon Grove area a few days preceding the event. This will be handled by the Merchant's Division. In the Review, and the Spring Valley Bulletin, which is a sister newspaper of the Review, coupons will be printed by which readers may have the opportunity to win one of the many cash prizes.

Naturally, there will be unusual merchandise offerings for the event, and thousands of dollars in savings will be affected through specially marked down wanted merchandise.

Ted Skelley, spokesman for the group, said that Lemon Grove is gaining more reputation as a complete shopping center and that events such as the Lucky Lemon promotion will point up such features as wide selection of shops and merchandise, adequate parking, friendly, cooperative business people, and honest-to-John bargain prices for the Lucky Lemon event.

## FRIENDS MARK DAVE BIRD'S 30 YEARS IN PUBLIC SERVICE

More than 400 San Diegans at \$4.00 a plate paid tribute to Dave Bird's 30 years of public service at a dinner at Hotel San Diego on February 21.

Bird was awarded the "Good Egg" medal at the annual meeting of the Poultrymen's Association at a luncheon the same day.

Many civic and community leaders attended the dinner in Bird's honor, and congratulatory messages from Vice President Nixon, Chief Justice Warren, Senator Kuchel, Senator Knowland and Congressman Bob Wilson were read.

Speakers included City Manager Campbell, who said "Bird has been a principal leader in promoting city and county relationships in California," Chas. P. Salzer, president of the County Supervisors Association of California and a supervisor of Kern County, said Bird's "caliber as a leader was quickly recognized when he became a director of the supervisors' state group in the 1940's." Bird went on to become president of the group and is now its treasurer.

Anderson, Borthwick, local banker, said San Diego county residents "should be grateful to have able and capable men such as Dave Bird in public office."

Bird and his wife were presented matching wrist watches. A plaque from National City was presented by the mayor of that city. The Birds have been residents of that community since 1913.

Bird's public service started in 1922 when he became fire chief of National City. He was a member of the National City council from 1924 to 1932 and from 1934 to 1940, when he was mayor.

Elected to the board of supervisors in 1940, Bird has been chairman of the board six times, and is now chairman.

Bird's present term expires this year, and he has indicated a willingness to serve another term. His friends in this area anticipate his re-election.—D. H.

## Sixty Boys Crash Grove Girl's Teenage Party—Five Arrested

It was a roaring riot on Dupont Drive Friday night, that is until the sheriff's deputies came.

A crowd, estimated to have been comprised of 60 to 70 teenagers attracted by a teenage party, were dispersed by sheriff's department headed by Deputy Donald Bryan. Five youths were arrested and placed in juvenile hall charged with suspicion of drunkenness and possession of liquor.

Sheriff's men responded Friday night about 8:30 when Mrs. R. W. Nevegold Jr., of 1770 Dupont Drive, summoned them after a whiskey bottle had been thrown through the window of her home. The bottle struck Sherrie Nevegold, 10, along side her head.

The sheriff's department found more than 60 boys attempting to crash a party given by Homer L. Blalock, 1781 Dupont Drive, for his 14 year old daughter Eva, officers said. They also found the street littered with beer cans and liquor bottles. Sheriff Bryan, with quick police thinking to his credit, quickly removed the car keys from autos along the street and some of the rioters were more easily identified.

Sheriff's Sergeant L. C. Earnest, also called to the scene, said the boys who were arrested were Grossmont students. He also said the boys admitted purchasing beer in a Lemon Grove liquor store. The boy who made the purchase is 17.

## First Leases Signed For College Grove Center

A multi-million dollar expansion program of the Walker Scott Company was finalized this week with the signing of a long term lease on a 160,000 square foot building to be constructed in the College Grove shopping center at Broadway and College.

George A. Scott, president and general manager, and Michael C. Birnkrant, Bel Air developer, concluded negotiations which provide for the Walker Scott Company to operate the principal department store in the shopping center. The lease is for a period of 30 years and contains a provision for two 10 year renewals, at the option of the store, for a total of 50 years.

"This was the key lease to be negotiated because of the terms of the escrow agreement," Birnkrant said, "and is one of the final steps to be completed before the actual start of construction in the 15 million dollar development."

Birnkrant purchased the property from Scott in April, 1955 under an agreement which gave the Walker Scott Company the right of first refusal to operate the principal department store. However, the escrow could not be closed until re-zoning requirements were met and the lease was signed. The escrow was also closed this week.

Other firms which will open stores in the new development are J. C. Penney Co., W. T. Grant Co., F. W. Woolworth Co., Foreman & Clark, Hartfields, Kay Jewelers and Leeds.

Birnkrant, who is reported to be the largest owner of chain store real estate in the nation, said he plans to invest from 12 to 15 million dollars in property and buildings.

The center will contain 12 ultra-modern, two and three story buildings with more than 650,000 square feet of floor space and will provide parking space for 5,000 vehicles at one time.

More than 50 different firms will be represented in the center, and Birnkrant indicated that stores already doing business in the San Diego area will receive first consideration as new leases are negotiated.

Scott said the Walker Scott Company hopes to open for business at the new location in late 1957 or early 1958. With the opening of the new branch, the firms will have total floor space of more than 260,000 square feet at two locations.

A resident of Bel Air Estates in Los Angeles, Birnkrant formerly practiced law in Chicago and Detroit. His clients included the J. C. Penney Co. and other large chain store organizations, and he said it was through this association that he became interested in real estate development for business organizations.

His present holdings include major chain store properties in more than 50 cities.

## Mother of Newspaper Executive Dies at 95

The mother of Oliver Turnbull, advertising manager of the Lemon Grove Review and Spring Valley Bulletin, passed away February 26 in Rushville, Missouri. She was 95.

She is survived by another son, James, also of Rushville.

Seven grandchildren include Mrs. W. L. Thomas of La Mesa; R. M. Turnbull of Fallbrook; J. O. Turnbull of Camp Pendleton and four others in Missouri. There are also ten great grandchildren.

Mrs. Turnbull was born in Plattsburgh, Missouri, in 1860.

## County Tax Group To Set Platform Tuesday in S. V.

Homeowner's Council, county-wide organization dedicated to the preservation of the American home through reasonable and just property taxes, will hold a delegate's meeting Tuesday, March 6 at the Spring Valley School at 7:30, according to President A. R. Trimble.

Delegates of affiliate groups will set up future programs of action at the meeting. All civic groups in the area are invited to send their delegates to the Tuesday affair. Approximately 150 persons are expected.

## First Incorporation Meeting to Be Held Friday

A meeting of persons interested in incorporation of Lemon Grove has been set for Friday at 8 p.m. at the junior high school auditorium, it was announced by Dr. Gilbert Chassey, chairman of the L. G. Men's Club Incorporation Committee.

Petitions will be circulated following the meeting, he said. It will be necessary to obtain 25% of the electors within the boundaries of the proposed sixth class city and 25% of the assessed valuation must be represented.

A notice, filed by attorney Frank Armstrong, informing county officials of the intention to circulate a petition, has stopped all annexation proceedings by San Diego and La Mesa. Another notice will follow the current one if additional time is needed to properly do the circulation job, Armstrong said. Each notice is effective for 50 days.

Dr. Chassey said that volunteers are needed to assist in circulating the incorporation petitions.

## NEWSPAPER TO PUBLISH DIRECTORY

A directory, listing many of the business firms of the HomeLand area, as well as emergency telephone numbers and information of general interest, will be distributed by the HomeLand Publishing Company, the publishers of the Spring Valley Bulletin and the Lemon Grove Review.

The directory will contain up to the last minute maps showing all the streets and roads in the two communities and will be distributed to residents without charge after the middle of this month.

Construction of a second major exhibition building at the Southern California Exposition grounds at Del Mar will begin Feb. 25. Completion will be after this summer's exposition which runs June 29 through July 8.

## L. G. Methodist Church To Open Sunday

The new Lemon Grove Methodist Church will be opened and consecrated Sunday, according to Reverend Don Cooke, minister. The new building, costing approximately \$50,000, is located at 3205 Washington Street, south of the Golden Avenue-Washington Street intersection. Contemporary in design, this building features some

uses of the building. A special feature of the afternoon will be a program of music presented on a new Wurliatzer organ by the church organist, Mrs. Adeline Taylor. As part of the total program opening the new church, a "March of Faith" preaching and evangelism mission will be launched on Wednesday, March 7 at 7:30 p.m. The Reverend Theodore Brock, minister of the Dominguez Methodist Church in Long Beach, will be the guest preacher on Wednesday, Thursday and Friday nights, Sunday morning and Sunday evening. Beginning Monday, March 12, the "March of Faith" program will emphasize "two-by-two" visitation evangelism. This will be a cliff-hanger with a dedication service Wednesday night, March 14 in the new building.

Services in the new church will include Sunday Church School for children, youth and adults of all ages at 9:30 a.m. Worship will begin each Sunday at 10:50 a.m. Youth activities Sunday nights will include MYF meetings for intermediates, seniors, high school and older youth (both college and working youth). A cordial invitation to attend is extended to all.

## Sam Yorty Speaks To Homeland Democrats

Sam Yorty, candidate for the Democratic nomination as United States Senator, cited the Trevor Gardner case and told the Homeland Democratic Club that his "greatest fear of another Eisenhower term is what it may do to our national defense."

Citing the recent resignation of Trevor Gardner as Air Force research and development chief, in protest against pennywise restrictions on development of long-range ballistic missiles, "Yorty told the area Democratic group: 'I know best' is a Republican dodge—not by any means an answer."

Mrs. Chas. McKenzie, president of the Homeland Democratic group, announced that March 24 has been set as the day for endorsement of local candidates by the San Diego 30th District chapter of the California Democratic Council of which John E. Hunter of El Cajon is president. Over 20 clubs will send delegates and members who will be able to vote on assembly endorsements. The convention will convene at 9 a.m. at the U. S. Grant Hotel for an all day session.

every year."

Dr. Johnson said the average 16-year-old has seven teeth that have been attacked by decay. At 41 the average person has 19 decayed, filled or missing teeth.

Lemon Grove parents can start their youngsters out on a lifetime habit for good dental health, Dr. Johnson said, by putting over these points to their children:

Brush the teeth immediately after eating and after drinking anything sweet. Sweet food particles form decay-causing acids that work on the enamel of the teeth almost instantaneously.

When a toothbrush isn't handy, rinse the mouth thoroughly with water after meals or snacks.

Eat a well-balanced diet low on sweets. Replace sugar-rich foods with fresh fruits and uncooked vegetables such as carrots and celery.

Don't expect any toothpaste or tooth powder to perform miracles. It's the brushing that counts.

## 7 CAVITIES IN 16 YEARS Tooth Filling Can Grind to a Halt In Lemon Grove

Serious observance next week of National Children's Dental Health Week in Lemon Grove can mean sounder, healthier teeth for every Lemon Grove youngster, Dr. Donald Johnson, local Dental Health Week chairman, said yesterday.

The American Dental Association sponsors the event annually, Dr. Johnson said, as a reminder to parents of the things they should teach their children to take good care of their teeth.

"Unfortunately too many parents have not shown enough concern in the past," Dr. Johnson went on. "Tooth decay doesn't have to happen. It can be prevented at home. Yet today American children have 300-million cavities. The figure is climbing

## Scheduled Program Skipped By Men's Club to Iron Out Local Problems

One of the more informative meetings of the current year of the Lemon Grove Men's Club was held Friday when a scheduled program was put to one side and a wide open discussion on community problems was held.

Postmaster Frenchy Faucher, who was to have been the program chairman, gracefully waived his rights and the meeting became an open forum. It started when Dr. Gilbert Chassey, who heads the current incorporation movement, and Harry Griffen, who is chairman of the current Broadway improvement project, developed a discussion on timing of the two projects.

Griffen stated that it would be awkward to acquire county funds for the Broadway project if at the same time incorporation seemed probable. The corporate city would be expected to pay that part which the county has already sympathetically considered, he pointed out. He also said that the Broadway project should have precedence because the Walker-Scott College Grove opening scheduled for 1957-58 would make it too late for the improvement, he warned.

## La Mesa-El Cajon Savings Acquires Branch Status for L. G. Office

La Mesa-El Cajon Savings and Loan Association, which operates a Lemon Grove agency office at Broadway and Imperial, has been certified by the State of California Savings and Loan Commission to conduct a branch office here.

John A. Davis, president of the savings and loan association, said that heretofore much of the association's business and many of the records were required to have been kept in the La Mesa head office but with a full branch status, loans, savings and collections, and all the records pertaining to them, would be kept in Lemon Grove.

The branch, he said, could now handle any business that the head office can.

Under California law, need must be cited for such banking facilities before the commission appears an obstacle which will retard that progress," Davis said.

The organization will officially become a full-fledged branch on April 1.

## The Dimmer View

By MAX GOODWIN

The bus boycott by Negroes in Montgomery, Alabama, has focused attention more strongly on anti-segregation and constitutional rights, the canopy under which anti-segregation is protected from the storms and squalor of tradition and racial prejudice. The charges of boycotting of public transportation is, of course, silly, as silly as it would be to bring into court any group or race of people who rejects the post office by refusing to write letters, or by not using the Mission Valley freeway, or the county hospital.

Also, a fine line must be drawn to show how many persons not using a thing produces a boycott. But all of this is beside the point of my message for this week.

Because of the intense publicity given the anti-segregation thing I've been worrying considerably about a related matter in our own community. There is now only a shadow of doubt that the successful conclusion of real estate deal in Monterey Heights will see a Negro family owning, and from all indications, residing in the house they are purchasing.

The law says that these people, even as you and I, have the constitutional rights of life, liberty and the pursuit of happiness and the rights of non-segregation.

My current worry, stems not so much from society accepting or rejecting minorities in a given neighborhood as it is whether such information is news and as such should it be published? Constitutionally no different than anyone else and when we report the purchase of a residence to a Caucasian, color of the people does not enter into the story.

How, then, should this information be handled, and to what extent? What impact, social or financial, will result to the residents of that area from the publication of these facts? Is it news because it is the first such sale and most first things are accepted as newsworthy, or is it not because the constitution says there shall not be separate consideration due to color?

It took a while to search out the answer. The acquisition of a home by a Negro family in Monterey Heights is newsworthy only because it will have financial bearing on homeowners in that vicinity. Money-wise, the most valuable thing most families ever hold is their home. Realtors claim infiltration of colored families in a white neighborhood does change the value of the remaining homes, that sales prices rise after the first colored family moves in. This is occasioned, they say, by a desire of several of their race to form a nucleus.

Prices then sink rather sharply as whites who prefer to live elsewhere sometimes find it hard to locate colored buyers with sufficient financing, or to find other whites who would purchase in a mixed neighborhood.

It is with a determination to bring information that could possibly have bearing on the economy of some of the folks in our community that this is written.

As a matter of further fact, we recently faced this same set of circumstances in the block in which we own our home and no one threw a tizzy. What happened is this:

A lady, with a certified reputation of heavy drinking, invited colored investors to buy her home. She evidently felt that by so doing she could get even with her neighbors who had invoked the law on her as a result of her carrying-on. Some of us were at a neighborhood scrabble party when we heard of her threat.

We discussed the lady and her propensities for keeping the neighborhood in an uproar. On one thing we were in complete accord at the party. We agreed in the altogether that any change at all would be an improvement.

In this light if and when escrow is completed, this newspaper will carry the story as straight news, giving dates, names, addresses and other pertinent newsworthy information.

## Grove Gets \$25,000 Federal School Funds

WASHINGTON, D.C. (Sp.)—According to an announcement by Congressman James B. Utt (R-28th Dist.) the Lemon Grove School District has been awarded the sum of \$24,825 for school construction pursuant to Public Law 874.

Schools which are heavily burdened by the impact of federal installations in their area are eligible for financial assistance under this public law.

The amount certified for payment is determined from the tentative entitlement for the fiscal year computed on the basis of information and estimates contained in the application. The total entitlement for the school district for fiscal year 1956 has been set at \$38,193.46, of which the above amount has been certified for immediate payment. Additional payments will be subject to such adjustments as may be required by actual data and by the availability of funds in relation to total entitlements for financial assistance.

Have you been in a flood—such as the one in Northern California? Did you know that rehabilitation was done for all of this area almost entirely by Red Cross? Did you know that Red Cross is able to feed all people of a stricken area for an indefinite time?

Did your child learn to swim last summer at the La Mesa Municipal Pool? Did you know that all of the instructors there are Red Cross trained?

Did your child receive an injury at school? Did you know that your school nurses have Red Cross First Aid training before they are employed by the school system?

Did you know that all children in public schools are a part of a Junior Red Cross program carried out during the entire school year? Ask your child about it.

In Lemon Grove alone one Red Cross car has traveled over eight thousand miles in one year. Volunteer drivers put in over 1300 hours taking care of more than 600 patients. Work consists of mostly transporting post-polio victims to and from the Children's Hospital for therapy. Emergency cases are carried to hospitals, doctors' and treatment offices. Members of the armed forces, their families, and others who need help are served. This past year through the combined efforts of Mrs. Frank Armstrong, motor service chairman, Mrs. LeRoy Bellwood, vice-chairman,

## Local Dirt Peddlers Have Stiff Competition Says Reporter Henderson

We were told recently of a certain development near Palos Verdes Estates where the owners of a big ranch which is being subdivided lease the lot selected by the home builder for \$800 a year for 50 years, the home builder puts up a \$40,000 house and can remove the improvement at the end of the lease period, but the land-owner keeps the lot.

Seems like that's a pretty steep price to pay for a lot, and then give it back.

Our local realtors say they have difficulty selling homes hereabouts, due to the large down payments required in competition with the small payments needed to acquire move in, no-down-payment plan of some subdivisions, with from \$10,500 to \$15,000 cost of completed homes in tracts, with all utilities in and paid for. Monthly payments of \$80, including interest, extending

over 30 years, indicate a total cost of \$28,800 for a \$10,000 home, and that is the lowest figure quoted.

Perhaps that is the main reason that sales of property in this area have slowed down. Why don't you real estate advertisers your "best buys" in THE REVIEW, figure out the payments necessary and take your prospects to the local bank of your choice and let your prospect save the difference?—Dick Henderson.

### MRS. ADAMS DIES WHILE ON VISIT TO SAN CARLOS

Word was received here last week of the death of Mrs. Viola M. Adams, mother of Dr. Lloyd S. Adams. The deceased was a five year member of the Lemon Grove Woman's Club.

Mrs. Adams had been a seven year resident of Lemon Grove but left during the Christmas holidays to visit her children in San Carlos.

She is survived by a daughter and three grandchildren in San Carlos; a son and two grandchildren in Pleasanton; her son in Lemon Grove and another grandson, Bob Turnbull, Bulletin and Review teenage editor.

### Grossmont Concert Group Plans Membership Drive

Tenth annual membership drive of the Grossmont Community Concert Association has been set for the week of March 12 and headquarters have been established at the La Mesa Chamber of Commerce. Mrs. James B. Harter, membership drive chairman, has completed plans to meet the heavy demand for memberships with a roster of over a hundred workers.

A capacity membership is expected for next season due to the advance booking of the Festival Quartet, which will bring to Grossmont four world-famous instrumentalists—William Primrose, violinist; Nikolai Gaudan, cellist; Szymon Goldberg, violinist; Victor Babin, pianist. This concert alone is expected to increase the present membership considerably.

Another innovation this year is an Artist Selection Committee of professional musicians headed by board member Daniel Lewis, assistant conductor of the San Diego Symphony under Robert Shaw. This committee will be guided in its selection of concerts by members' poll indicating each member's choice taken at the time each membership is sold.

### PTA Units to Sell Exposition Tickets For Reduced Rate

Visitors to this summer's Southern California Exposition and County Fair at Del Mar, June 29 through July 8, can get in on a bargain rate if they take advantage of an advanced ticket sale to be conducted by units of the Ninth District Parent-Teachers Association, Paul T. Mannen said today.

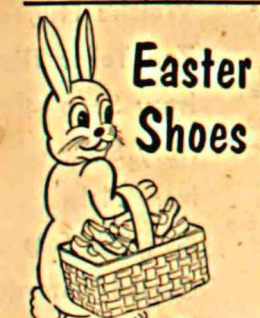

Units throughout the county will sell admission tickets for 50 cents, a saving of 35 cents over the gate-admission, which will be in effect beginning June 15. Children's tickets will be available for 25 cents.

Mrs. J. Allen Hodges, president of the Ninth District, has appointed Mrs. Paul Willoughby Jr., chairman of the project. She said more than 16,000 tickets were sold last year by the more than 100 participating units.

Three benefactors are involved, Mrs. Willoughby pointed out. Besides the exposition visitor, participating units and the San Diego Children's Dental Center will share in the proceeds.

Of the total number of tickets sold last year, less than 1% were not used, Mannen said.

### Congressman Utt Loses Staffman as William Shearer Starts Assembly Race

William K. Shearer, right, of La Mesa is shown as he says goodbye to Congressman James B. Utt of Santa Ana, as he prepares to leave the congressman's Washington staff. Shearer is returning to the West Coast to start campaigning for election to the assembly from the 77th Assembly District of San Diego County.

"You've done a fine job here, Bill, and I'm sorry to lose you," said Utt, "but I wish you the best of success and I'm glad you have the opportunity of doing something you want."

Shearer joined the congressman's staff during his first term in Washington, and a few months later left to fulfill his two years of duty in the Army. He returned to Washington shortly after his release from active duty. He has handled legislative research work for Congressman Utt and acted as liaison with the San Diego portion of Utt's 28th district where Bill is extensively acquainted.

Shearer, in expressing his appreciation of the opportunity to serve in Washington, said, "It has been a genuine honor and a great privilege to serve on Congressman Utt's staff. My work here is an experience I shall always treasure."

### SPECIAL DIET BREAD

ONLY 20 CALORIES SLICE

An article on diet foods in last week's edition stated that a diet bread carried by Special Purpose Food Store contained 120 calories per slice. This should have read 20 calories per slice. The bread mentioned, however, contains an exceptionally high protein content of 90 per cent, and has a very palatable nutty flavor.

### Bank of America Begins Award Campaign

Search began recently in high school throughout Southern California to find the 1,700 senior students for recognition under Bank of America's 1956 Achievement Awards program. The top 180 students will receive cash awards totaling \$22,100, an increase of \$4,500 over last year's cash awards. Highest awards of \$1,000 each will go to eight students.

In addition to the cash, 575 students will win gold cups, and 1,700 will receive certificates of achievement in the southland. Similar awards will be given in other phases of the bank's statewide program in central and northern California. The statewide cash awards total \$44,900 this year.

In Southern California, 229 public, private, and parochial schools — practically all of the high schools in the southland — are participating.

The purpose of the annual program is to bring recognition and reward to outstanding seniors in scholarship, leadership, character, and promise of future service

to society. Four general fields of study are covered: liberal arts, fine arts, vocational arts, and science and mathematics.

Announcement that the search for the students is now beginning was by Robert E. Kelly, who heads the program for Los Angeles City Schools system, of which he is associate superintendent, and Dr. C. C. Trillingham, superintendent of Los Angeles county schools and general chairman of the program for the rest of Southern California.

A committee of teachers in each school selects the certificate winners for that school, and later picks the school cup winners. From the cup winners are chosen the school representatives to compete with winners from other schools in zone eliminations, and the winners in the zones go on to the finals. Judges at both zone and final levels will be civic leaders not connected with the bank or the schools.

The whole schedule will be completed by next May, when the cash awards will be presented.

Miss Kay Williams, formerly of Spring Valley and now in La Mesa, won a top award last year for vocational arts.

# Monterey Heights Gourmets Dine on Blue and Gold

By DR. ROBERT F. BURNS

Parents and friends of Cub Pack 399 thrilled their taste buds last week with the culinary masterpieces set before them at the annual Blue and Gold Dinner at the Monterey Heights school. The menu was topped by huge portions of spaghetti of the real Italian vintage that had been specially imported for the occasion from such places as Bakersfield, Canton, Englewood, Lansing, and Ensenada. The salad was very delicately tossed, and the cake was so light that the pieces had to be weighted down to each plate with a scoop of jello. The food portion of the dinner-meeting was acclaimed a howling success by all, and the Cubs honored it with many full bodied den yells. Credits go to Mrs. Pauline Haas and Mrs. Sally Galland for the supervision of the affair.

Also on the menu was the induction of two new Bobcats to the pack. Cubmaster John Ott welcomed Richard Ott and Jeff Davidson to the fold with the usual ceremony. Den 7 led the flag ceremony from the stage under the guidance of Mrs. Archibald, den mother.

Awards were made by Cubmaster John Ott to Terry Burns, wolf; Skippy Chappel, wolf; Robert Creger, bear; Gary Woodward, bear; Joe Ybarrando, lion; Paul Edell, lion, gold arrow and three silver arrows; David Codina, gold arrow; David Mugg, gold arrow, silver arrow; Steven Kerner, gold arrow, four silver arrows; John Garcia, silver arrow; Tom Van Benthuyzen, silver arrow; Ronny Haas, three silver arrows; Sandy Finkleman, two silver arrows; Ronald Williamson, silver arrow; and Douglas Buckner, assistant denner.

Pack chairman Bill Bowersox announced the formation of a Webelo Den in the pack soon, which 399 has long needed to accommodate the graduating Cubs.

## New Sprinkling System for Fire Department

Eddie Bolieu, hoseman with the Lemon Grove Fire Department, is chisty this week. "I finally got me a fireman," he brags.

Reason for this attitude is the birth of a son after three daughters had preceded him.

The newest one came February 24 at Paradise Hospital.

The other children are Joanna Lee, 7; Laura Jean, 3 and Cheryl Lynn, 2. The couple resides at 8115 Alton. Catherine (Mrs. Bolieu) is doing well, as is the new squesker.

## Revival Planned By Baptist Church

Monday, March 5 through Friday, March 9, the ladies of the Missionary Society of the First Baptist Church of Lemon Grove will meet each morning at ten o'clock to study and pray for the missions in our homeland. This week of prayer for home missions will be concluded Friday with an offering for this particular work.

## SAN MIGUEL CHAPTER O.E.S. PLANS CARD PARTY

The annual card party of San Miguel Chapter 579 Order Eastern Star will be held Wednesday, March 7, in Friendship Hall, Lemon Grove. Lunch will be served at twelve noon followed by cards.

Mrs. Louise Dail is general chairman, and Mrs. Clara Fulton is chairman of reservations. The public is invited.

## PRAYER EFFECTIVE SAYS LECTURER

"Christian Science: The Science of Effective Prayer" will be the subject of a lecture to be radio-cast over Station KFWB (980 kc), Tuesday evening, March 6, at 8 o'clock, from First Church of Christ, Scientist, Redondo Beach, California. The lecturer, James Watt, C.S., of Washington, D.C., is a member of The Christian Science Board of Lectureship.

## Exemption Forms Ready Soon for County Veterans

Veterans who reside in San Diego County will receive exemption forms shortly after March 5, Arthur Eddy, county assessor, said this week.

Forms will go to all veterans who claimed and received exemptions in 1955 and must be returned to the county assessor's office by April 2.

In case the veteran does not receive his veteran's claim through the mail by March 10, he should contact the County Assessor's Office, Room 103, Civic Center, in order to obtain the veteran's claim form. Failure to claim the exemption constitutes a legal waiver.

State law requires that veterans who are claiming exemption for the first year must bring their honorable discharge or record of active service in person to the assessor's office. Either the veteran or his spouse may appear to establish the claim for exemption.

Owners of businesses will receive 1956 property affidavits through the mail on or about March 5. These must be filled out completely and returned to the county assessor's office no later than April 2, 1956. Any business that does not receive a property affidavit through the mail, should contact the assessor's office no later than March 10.

Vessels and airplane owners will receive property affidavits, as well as the business.

Landlords and owners of rental dwelling units, who do not own all of the personal property therein, such as household furnishings, must write to the assessor, furnishing him with the following information: parcel number or legal description of the rental property, the tenant's name, street address and apartment number, and percentage of the household furnishings owned by the landlord in the rental unit. Status of furnishings and tenants, as of the first Monday of March at noon, controls the assessment.

Church, college and orphanage exemption claims will be mailed on or about March 5. Non-profit organizations claiming welfare exemptions must again this year call at the assessor's office to obtain their forms. These claims must be returned to the county assessor's office by April 1, 1956. A staff of deputies will be on duty beginning March 5 to assist the taxpayers.

## GIRLS' GROUPS HONORED FOR PART IN PEANUT SALES

Among the above are following groups of Lemon Grove. They are: Blue Bird Friends; Little Busy Blue Birds; Sunflower Blue Birds; Wa Sin Ton Ke Ci and Ao Wa Ki Ya Camp Fire Girls.

In the group above from Spring Valley are: Brookside Blue Birds; Skylark Blue Birds; Angel Blue Birds; Tandra Wadewastea and Wo Shu Ki Camp Fire Girls.

The area's best salesladies were honored last week when Camp Fire Girls of District 8 were cited for their part in annual peanut sales program. This district gained county-wide attention when they were given a special award for selling 92,146 cans of peanuts for a net profit of \$18,000.

In a peanut recognition program held at junior-high cafeteria further awards were given. Frank Armstrong, peanut sale chairman, introduced Dr. C. R. St. John, district chairman, and presented the program that followed. It consisted of dances by pupils of Miss Myra Sonka and songs by the Junior High choral group under the direction of Paul Cheatham. Over 100 girls received awards for selling at least 48 cans of peanuts. The best record was turned in by Shirley Pignataro, a Blue-bird who sold 408 cans. Six Camp Fire groups and 15 Blue Bird groups were present with their leaders. Profit from the peanut sale is used to finance resident and day camps. Funds from the Community Chest cannot be used for this purpose. Much of the success of the peanut sale is attributed to dads (Camp Fire calls "Doo-Dads") who furnished transportation while daughters made sales.

## 22 Hillsdale Lots Bring Water District \$15,000

There were 30 items on the agenda for the meeting of February 21. Most of the items were routine matters, quitclaim deeds, etc.

Auction sale of 22 Hillsdale lots resulted in accepted bid of J. L. Boots of \$15,150, \$1650 check, \$2500 in escrow, \$11,000 balance at 5% interest, payable in installments before Feb. 25, 1959. A commission of \$750 was allowed.

Resolution adopted authorizing refunds on three tax accounts, due to double collection.

Warrants totaling \$60,623.07 approved. N. P. Van Valkenburg Co. a total of \$33,165.41, M. J. Baxter drew \$11,531.45, Ed Fletcher Co. drew \$4,487.93, Gas and Electric Co. \$2,777.13 and R. M. Levy, Bob Rundell and Harry Griffen each drew \$40, for trip to Diverting Dam and South Fork and San Diego County Irrigation District Officers Association meeting. Two days work for each director, at \$20 per diem.

William Carter, a contractor held in high esteem by the directors individually, was invited to sit up the table and orate, which he did, regarding placing of meters ahead of final inspection so he, Carter, could turn over five houses that were completed except for final inspection, and the folks could move in. Carter drew a moving word picture of how these folks had moved here from various far-away places, made their down payments and couldn't find a place to stay, and wouldn't the board put in a meter in and inspect. The board shook their respective heads "No." They remembered a suit for \$3000 damages that they

had to pay, and decided that however much they thought of Bill Carter they would have to abide by the rules made and provided. Seems like there is an extra pipeline in there somewhere, and five meters and a possibility of another damage suit. Attorney Jennings was asked to figure out some way of accommodating the contractors and new residents, but this time they'll have to wait their turn. Then Bill Carter thanked the board and left.

Vista La Mesa No. 2 got into the act with a request from Marvin W. Miller for two 3/4 inch meters to serve Lots 3 and 4, Block O, each meter to serve ten apartments.

Members of the 1935-36 Confirmation Class of the First Congregational Church, Lemon Grove, will attend a Jewish service of worship at Temple Beth Israel, San Diego, Friday. Following the service they will meet with the rabbi, who will take them through the temple and explain to them something of the meaning of the Jewish faith.

Two weeks ago this same group of young people visited St. John of the Cross, the Roman Catholic Church in Lemon Grove and met with Father Slattery, who took them through the church and explained to them how and why the Roman Catholics worship as they do. Several months ago a similar visit was made to the Buddhist Temple in San Diego. All of this is part of the training these young people are receiving as they prepare themselves for membership in their church. They are learning tolerance and understanding and brotherhood.

## PTA HONORS GROUP WHICH WORKED MOST

Mrs. John Dail, Mrs. John Jensen, Paul Cheatham, Mrs. Frank Ferguson and Mrs. H. K. Thurstund  
—all honored by life membership in PTA.

Most people associate gifts with something definite; something tangible that can be taken home and shown to friends and family.

And yet, all gifts are not of this variety. There are gifts in the abstract—contributions that come, not from the pocketbook, but from the heart and mind and spirit.

There are many ways in which PTA members can make contributions, other than those which are the result of money raising projects. The National Congress of Parents and Teachers numbers millions of members. Naturally a group of this size makes many valuable gifts to the life of the community.

meeting in February, each of the schools in the Lemon Grove School District, presents an Honorary Life Membership to the person who they feel has made the greatest gift of this nature for the welfare of youth.

Golden Avenue Parent-Teacher Association honored Mrs. John Dail with their award. The Dails live at 3249 Olive St. Louise is a past president of the Junior High unit.

Mrs. Frank Ferguson of 7914 Barton Drive, received the Honorary Life Membership presented by the Monterey Heights PTA. Dorothy served as secretary of the school for five years.

San Miguel PTA chose Mrs. John E. Jensen as their honoree.

Mrs. Jensen resides at 2580 Bonita St. She has taught in schools in the Lemon Grove School District for ten years.

Vista La Mesa Parent-Teacher Association bestowed the membership upon a past president of the unit, Mrs. H. K. Thurstund. The Thurstunds live at 3880 Bass St.

Paul Cheatham of the music department of the school was the recipient of the award of the Lemon Grove Junior High PTA. Mr. Cheatham has served the music department of the school since 1940, having previously taught in the Grossmont High Schools. He lives at 739 20th St., San Diego.

## LETTERS TO THE EDITOR

Dear Editor:

As you know, the Lemon Grove Broadway Improvement Committee is undertaking a co-operative study with the county of San Diego for the improvement of Broadway and we hope the study will bring about a major improvement in the appearance and utility of our main business street.

Among the many facets of this problem is the very important one of public parking. The members of the committee, being the property owners along Broadway, have definite ideas about public parking, but they realize that the shopper is the person to be pleased and accommodated.

It is the committee's belief that your publication would be rendering a public service if you would invite helpful suggestions from your readers regarding this important problem of parking facilities.

At the present time it is the feeling of a majority of property owners participating in the study that Broadway be widened to a full width of 150 feet. The traffic area would be confined to a 50 foot strip in the center and the 50 feet on each side of the traffic strip to contain sidewalks and curbs and public parking. With the establishment of adequate pedestrian cross walks, this plan would take care of some 2000 cars parked double on each side of the street.

Your cooperation in publicizing our invitation to the shopping public to participate with us in planning for future parking on Broadway in Lemon Grove is appreciated.

Yours very truly  
Harry Griffen  
Chairman

Shoppers' viewpoints carry more weight than they sometimes realize. Readers, we hope, will therefore take advantage of writer Griffen's request and help take part in laying out the business community by sending in suggestions. They may be sent to this publication at Box 416, or to Mr. Griffen at Box 414.

It is one of the few opportunities whereby residents may aid in the spending of money for community improvement and not have to pay a penny of it themselves.

—The Editor

Lowe's Toppers of Lemon Grove will present the Fashion Show and the program will include "Larry the Great," who will perform feats of magic.

Mrs. Ted Magnusson, chairman of the event, will be assisted by Mrs. Charles Herdel, Mrs. Harry Parker, decorations, and Mrs. Wm. Henckamp, reservations.

The public is invited to attend.

## TWO GROVE PEOPLE ARE HELIX BOOK DRIVE WINNERS

Gary Jensen, son of Mr. and Mrs. K. M. Jensen, 3956 Shirlene Place, was named winner of the Helix fourth annual high school book drive. He won \$10.

Lynn Upton, daughter of Mr. and Mrs. L. F. Upton, 7939 Nichols, won \$5 as third prize winner.

## Adlai Stevenson Workers Needed At Friday Meeting

San Diego county supporters of Adlai Stevenson for president have been urged to attend the campaign strategy meeting Friday night at 7:45 at Electrical Workers Hall, 1943 West Washington, San Diego.

This meeting is the initial one to formulate all plans and elect committees for the campaign, said Clinton D. McKinnon, temporary chairman.

"Anyone who wants to have a part in the Stevenson campaign should attend this meeting," said McKinnon.

"We need the help and advice of all Stevenson supporters."

Yet even her tyranny had such a grace. The woman pardoned all except her face.
